

LAS CRUCES YOUTH BASEBALL ASSOCIATION
2010

Alcohol Policy

The LCYBA is a youth baseball organization dedicated to the youth of this city. Therefore it must be understood that the use of alcohol while in the presence of your players will not be tolerated. This means: before, during or after practice and ball games.

It is also against the law to have any alcoholic beverages in the City Parks.

Please be advised that the LCYBA is taking a zero tolerance stand on this issue. Violation of this policy will mean ejection from the league. Let's have a great season.

Refund Policy

A team or manager can request a refund for funds paid to LCYBA for team fees until the season begins. The request must be made in writing and turned in before opening day of the season. If the league has already paid for the team's insurance, the amount of the insurance will be deducted from the refund. If that team has already picked up baseballs, the amount of the baseballs will be deducted from the refund. Once the season starts, it is our policy that there will be no refunds, of any kind.
